

Sharing Our Stories Theme of Spring Women's Retreat

Stories are powerful. They shape us, guide us, and help us get to know each other better.

Sharing Our Stories is the theme of the 2017 Colorado Quakers Women's Retreat April 28-30. We'll share stories from our religious and personal backgrounds about how we came to be the people we are today, and explore why certain stories are still meaningful to us.

The retreat will be at Highlands Presbyterian Camp and Retreat Center near Allenspark about an hour's drive from Boulder in the Colorado Rockies. It will begin about 4 p.m. Friday, April 28, through lunch on Sunday, April 30. We hope you can attend the entire retreat, but if you can only come up for part of the retreat, that's fine, too.
